Chris,

Looks good. Just a couple minor suggestions. Give a call if you want to discuss or have questions.

Subject: Revised Draft Change in Scope

Hi Dom,

Thanks for your support last week. I finally got some sleep and significantly modified this draft Change in Scope for Shiloh. Can you take a quick glance over to see if I am on the right track? Then I will send it to ORC. Once ORC's comments are incorporation, I will put the memo into concurrence

Thank you!
Chris
